Our Top 5 on our map

Many campsites are located in front of or in the immediate vicinity of the site, some are a little noisy because they are also close to the main roads.

We advise you to choose a remote campsite, 15-20 minutes walk away, where you will have a more comfortable setting and better prices.

Note that Pompeii is one of the most touristy sites in Italy, so the campsites are organized to accommodate the crowd, the spaces are small and the green areas are few. In short, don't expect to find campsites in the middle of nature.
