La Cotinière or **Saint-Pierre**, where you'll have easy access to one of the west coast's great beaches, and you'll be able to take advantage of the many night-time activities in high season.

If you really want to be at the center of Oléronaise life, we recommend the village of Saint-Pierre or Dolus-d'Oléron, where you can enjoy the many restaurants and markets while being only a few kilometers from the beaches.

A quick note before we start: obviously, we didn't test all the campsites on the Ile d'Oléron. This selection has been made from among those we have tested and those that have been recommended to us. As we live on Oléron, we've suggested some campsites that are also ideally located for visiting the island. We pass a number of campsites every day.
