Stockholm neighborhoods to explore (marked on map)

- **Gamla Stan, the historic heart:** It's impossible not to fall under the spell of this district, the Old Town. With its cobbled streets, ochre facades and characterful little stores, it's a must-see. This is where it all began, and you can feel it with every step you take.
- **Södermalm, Stockholm's bohemian soul:** [our favorite neighborhood in Stockholm](#), Södermalm, or "Söder" to its friends, is the cool neighborhood par excellence. Formerly a working-class district, now a haven for artists and designers, it exudes a real personality.
- **Norrmalm, for shopping and museums:** this is the commercial and administrative heart of the city, with its wide avenues, shopping malls, grand hotels and museums.
- **Djurgården, nature and museums in the heart of the city :** an island dedicated to leisure, museums and nature. Here you'll find the **Vasa Museum**, **Skansen** and even the **ABBA Museum**.

To get the most out of your stay, we recommend the **Norrmalm** and **Östermalm** districts. For smaller budgets, the **Södermalm** district may be a good alternative.

Our best addresses

- **Favorite ♥**: [Hotel Birger Jarl](#), **Norrmalm** district (the best neighborhood to sleep in, in our opinion): the hotel's location is perfect for visiting **central** Stockholm on foot. In a beautiful, completely renovated building, our accommodation was spacious with a mini fridge and carefully decorated, excellent **value for money** where you'll feel right at home. We would definitely go back.
