What is the distance between Périgueux and Bordeaux?

Périgueux is located **137km** from Bordeaux center by freeway **A89** or **128km** by the **departmental** road.

We regularly travelled this distance by car, Blabla-car or train, since we lived in Bordeaux and our family in Périgueux.

How to connect the two cities?

By car or Blablacar

- **By freeway:** count about 1h38 by taking the A89 freeway, with 10€ of toll. Note that this highway is pleasant because it is not very busy.
- **By road:** count about 2h24 by taking the road D6089. You will cross many towns and villages, Saint Astier, Neuvic, Mussidan, Castillon la Bataille... The road is certainly a little long, in return you will save 10€ of highway.
- **By carpooling:** this is also an excellent option, economical and ecological, count between 6 and 12€ per trip.

By train

Count 1h30 by TER for about 23€ (without discount card). Many buses and streetcars leave from the Bordeaux train station to reach the city center.

By bus

Two companies operate between Périgueux (Créavallée) and Bordeaux (train station), Flexibus and Blablabus, count between 1h20 and 1h40 for an amount between 6 and 12€.
