

Easter Island #video

By Floriane

When we bought our plane tickets, we were ready to remove any country from our selection, except **Easter** Island.

It was a certainty that we would set foot on this mythical island in 2016. We can tell you now that the **round-the-world trip** was just an excuse to go.

We were like children who marvelled at absolutely everything, during the **5 days we spent** there in search of the thousand **Moais** on the island.

We also made the lovely acquaintance of **Anaïs** and **Julien**, who have been on a round-the-world trip for 8 months. Their travel blog, [A2pasdumonde](#), is packed with information, travel tips and beautiful videos.

Thanks to them, we've started **video editing**. This will give us another form of souvenir of our trip. We only filmed our last day on Easter Island. We'll be filming more later.

Bear with us, this is our first video.
