

Northern Territory road trip - Australia part 2 #video

By Floriane

For the second part of our Australian road trip, we take you on the desert roads of the **Northern Territory**.

Still in our van, we crossed two national parks, **Kakadu** (we can hear your puns) and **Litchfield**. They are famous for their grandiose rock formations, giant termite mounds, refreshing waterfalls and wild fauna. The crocodiles were our best actors. A place we might never have left ;)
