

## Perigueux center restaurants : our top 15 [carte]

By Floriane

Périgueux is a city renowned for its gastronomy, and each time we visit we enjoy the many **Périgord specialties** and excellent restaurants in the historic center of Périgueux.

Since we've been coming to Périgueux for so long, we've had the chance to try out a large number of restaurants, so we've come up with a selection to suit all pockets.

Eating well is one of our priorities in life, so we prefer establishments offering home-cooked, seasonal cuisine and a limited menu. All the restaurants listed below have terraces, and some are even open on Mondays and/or Sundays. After your [walking tour of Périgueux](#), why not try some Périgord cuisine? Enjoy your meal!
