

## Sydney & Great reef road - Australia part 1 #video

By Floriane

Australia was a country we were looking forward to. After 4 months in Latin America, we were eager to get back to our Western roots. Bus stops with timetables, prices displayed in supermarkets and traffic regulations! On the food front, we rushed to the Coles on arrival, raiding it for chocolates, yoghurts, cheeses and charcuterie.

After a few days in **Sydney**, a fun reunion evening with Anouvan, an old colleague, and rosé... We set off for the heat of the North. On the agenda was an 18-day van road trip between **Cairns** and **Darwin**, covering over 4200 km. We take you on board for the start of our crazy adventure on the Australian roads.
