

## Visit the Prada Foundation in Milan

By Matthieu

Milan, city of fashion and innovation, is home to a jewel of the contemporary art world: the **Prada Foundation**. This is more than just a museum. Here, the Prada Foundation breaks with the conventional boundaries of art to open up a space for dialogue between **history and innovation**.

Nous vous conseillons d'ajouter ce musée sur votre liste des choses à faire à Milan, pour admirer l'incroyable transformation de cette ancienne distillerie, réalisée par l'architecte **Rem Koolhaas**.

Every time you visit the Prada Foundation, it's a new adventure. Exhibitions change all the time, with works by famous artists and avant-garde installations. No matter whether you like painting, sculpture, film or photography, there's always something interesting. Each visit is an opportunity to see the world from a different angle, through the eyes of **contemporary art**.

### History and Architecture of the Prada Foundation

The Prada Foundation is the story of how an **old distillery from the early 20th**

century became a landmark for **contemporary art** in Milan. It's a project that combines respect for history with a desire to move forward. Over time, the Fondation has grown and changed, reshaping itself to keep pace with **contemporary** art trends and **visitor expectations**.

## **A blend of ancient and modern**

When we talk about the **Prada Foundation**, we can't overlook its architecture, a work by **Rem Koolhaas** and his **studio OMA**. Their creation is a perfect blend of **olddistillery bricks** and bold modern touches.

Each building on the site has its own personality, but together they form a harmonious whole. The use of materials such as raw concrete and gold leaf creates a striking visual contrast. Here, architecture is not just a setting for art, but an essential part of the experience at the Fondation.

## **A place full of history and innovation**

The Prada Foundation is more than just an exhibition space. It's a place where art comes to life. Every nook and cranny, be it the main building, the cinema or even the **Wes Anderson-designed** bar, has a story to tell. It's a meeting place between Milan's industrial past and its creative future, where every visitor can feel the constant dialogue between art, architecture and creativity.
