

Visiting Zamora in Spain: our must-sees

By Floriane

During our [motorhome year in Southern Europe](#), we made a stopover in **Zamora, Spain**, on the road between France and Portugal's Douro Valley. A break that came just in time to slow down, take a breather and discover this pretty, **human-sized town** with its impressive heritage, far from the tourist hustle and bustle.

In this article, we share our **itinerary in Zamora**, from the **Romanesque cathedral** to the **medieval castle**. We lose ourselves in the ancient streets, before heading for the banks of the **Douro** to enjoy the best views of the city.

Discover Zamora in Spain, a city off the beaten track

Zamora is located in the **Castilla y León** region of western Spain. It's a town often overlooked by the major tourist routes, yet we were pleasantly surprised to find that it boasts one of the country's richest **ensembles of Romanesque architecture**.

And let's face it, while you're there, the name **Zamora** might make you think, at least once, of the famous **Amora** mustard.

We set off on foot from the parking lot, a 10-minute walk from the old town, so bring good shoes as it's a bit of a climb.

Visiting Zamora in Spain: our must-sees

Zamora Cathedral, the city's Romanesque gem ☐

It's impossible to miss **Zamora Cathedral**, perched on a rocky promontory overlooking the Douro River. Built in the XII^e century, it is one of the finest examples of Romanesque architecture in Spain.

You won't want to miss its **Byzantine dome**, covered in stone scales. A unique architectural detail that gives the cathedral its very identity.

☐ **Practical info:** admission to [Zamora Cathedral](#) is **€6** and includes access to several of the city's cultural sites, such as the **Museo Catedralicio**, the **Santo Tomé church** and the **Museo Diocesano**.

For our part, we didn't go inside: **the outside visit was more than enough.**

Zamora Castle and its ramparts

Zamora Castle stands right next to the cathedral, on a promontory overlooking the Douro River. Built in the XI^e century, it was part of a vast defensive system designed to protect the city. Today, its **well-preserved ramparts** are the main attraction.

☐ **Good news:** [the château and its grounds are free to visit.](#)

Stroll through Zamora's historic center

Afterwards, we strolled through **Zamora's** typically Spanish **historic center**, with its cobbled streets, small squares and stone facades that immediately make you want to slow down and take your time.

We took the opportunity to **try our first tapas** (patatas bravas, queso y ramon, tortilla...) at **Universal Sport - Café Bar**. A small, simple café: a few tables on the terrace, a relaxed atmosphere, and already that feeling of being in Spain.

The Douro at Zamora: walks and views

The **Douro** flows through Zamora on its way to Portugal. The riverbanks are landscaped and offer lovely walks, ideal for a gentle end to your visit.

We crossed the **stone bridge**, then walked along the river, taking in the views of the cathedral and castle. At sunset, the golden light completely transforms the landscape.

Motorhome parking in Zamora ☐

Zamora is an **excellent stopover for motorhomes**. The town has a **well-equipped motorhome** park (shown on our map), easily accessible and within easy reach of the center.

The big highlights:

- **all services free of charge** (water, oil change, parking)
- the area is quiet and convenient
- a **playground just across the road**, perfect for children

Visiting Zamora in Spain: our must-sees

Matthieu took the opportunity to [work](#) and our daughter and I made the most of the playground.

Practical information for visiting Zamora

How long can I stay in Zamora and when can I visit?

Zamora is easy to visit:

- **in one day**, to see the must-sees
- **in two days**, to take full advantage of the atmosphere

Spring and autumn are the ideal periods. The city is also famous for its spectacular but much more crowded **Holy Week**.

Where to stay in Zamora?

For an overnight stay in Zamora, the **Ares Hotel** is a very good option. It's located close to the historic center, making it easy to reach the main sights on foot. Free parking is also available.

The rooms are modern, comfortable and well-equipped, perfect for relaxing after a day's sightseeing.

[Information and booking for **Hotel Ares in Zamora** \(from €88 / night with breakfast\)](#)

Our map of must-sees in Zamora

We were overjoyed by this break in Spain, a country we adore and which we'll be returning to after our visit to Portugal to rediscover Andalusia([Ronda](#), [Malaga](#)...), and now we can't wait to cross the border to continue our adventure in Portugal's Douro Valley.

Feel free to leave us a **note** below to let us know if you are planning this trip, **ask** any questions or **share** on social networks([our Instagram](#)) we will answer you with great pleasure!
